

PYROTECHNICS PROXIMATE AUDIENCE DISPLAYS

These guidelines are to be followed when a business, group, or other entity within the City of Rockwall, requests the use and display of pyrotechnics, commonly referred to as “fireworks” or other theatrical special effects indoors.

All pyrotechnic storage, use, and/or display criteria for the purposes of these guidelines and any other guidelines or requirements of the Rockwall Fire Prevention Education and Investigation (FPE&I) Division shall conform to the 2021 International Fire Code, as adopted and amended by the City of Rockwall, Texas State Fire Marshal’s Office rules and regulations, and NFPA.

These guidelines do not replace, nor supersede any codes and/or ordinances adopted by the City of Rockwall, or determinations and positions of the Rockwall FPE&I Division.

Defined by International Fire Code. Fireworks shall mean any composition or device for the purpose of producing a visible or an audible effect for entertainment purposes by combustion, deflagration, and detonation, and/or activated by ignition with a match or other heat-producing device that meets the definition of 1.4G fireworks or 1.3G fireworks as set forth herein.
